YON-KA OPTIMIZER

This age-defying Jewel is a powerful, multi-corrective facial contouring treatment featuring age defying Yon-Ka Paris techniques inspired by ancient eastern traditions and modern French esthetics.

Collagen building serums and treatments enriched with high performance botanical peptides from hibiscus and lupine prevent the thinning and atrophy of the skin's dermal and support structures; those that keep it firm and youthful. A professional strength peel, freshly prepared modeling mask and aromatic rituals intensify the results and stimulate deep skin regeneration.

Drained of excess toxins and fluids your skin will light up with renewed radiance and appear plumped, lifted, sculpted and supple.

YON-KA HYDRALESSENCE

An ultra-hydrating, refreshing facial treatment to control the effects of extreme moisture loss, a precursor to advanced aging. Each technologically advanced product applied will flood the skin with absolute hydration.

It also soothes damaged, irritated, or dry, dehydrated skin, and is the perfect ally for naturally fragile or traumatized skin from peels, lasers, or over-exposure to the sun.

A botanical-rich gel scrub gently eliminates lifeless cells while also infusing the skin with lasting moisture. This precedes a deep, relaxing, and sensorial face and neck massage.

Ending with a freshly prepared modeling mask enriched with the powerfully softening actions of seaweed and red fruit extracts restores skin's dewiness and radiance.
